LB 96, 142

SENATOR CHAMBERS: I have a right to speak twice on a motion.

PRESIDENT: That is true.

SENATOR CHAMBERS: But I am not going to do it today.

PRESIDENT: Okay. Well may we consider that you have closed, Senator Chambers? Senator Remmers has the right to close.

SENATOR REMMERS: Let's take a vote.

PRESIDENT: The question is the advancement of LB 96. All those in favor vote aye, opposed vote no. The motion is to advance LB 96 from General File. Please record your vote if you care to vote. The motion is to advance LB 96. We may save time and a Call of the House if we.... Have you all voted? The Clerk will record the vote.

CLERK: 29 ayes, 4 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The bill is advanced. Mr. Clerk. Okay, the next bill is LB 142.

CLERK: Mr. President, LB 142 was offered by Senator Chronister and cosigned by Senator Sieck. (Read title.) The bill was read on January 11. It was referred to the Public Health Committee for public hearing. The bill was advanced to General File, Mr. President. There are committee amendments pending by the Public Health and Welfare Committee.

PRESIDENT: Senator Fenger.

SENATOR FENGER: Thank you, Mr. President, this committee amendment on LB 142, I would appreciate if you would pay some attention because it is a little technical here.

PRESIDENT: (Gavel.) Let's have order in the Chamber while Senator Fenger explains the committee amendments.

SENATOR FENGER: The committee amendment actually removes a section regarding that sunset provision for chiropractors, however, there is a problem because of the dates. The sunset laws themselves expire the second day of July of '84. The termination date under the new newly passed LB 413 this year for chiropractors is July 1. Now the fiscal analyst's office has advised us since that time that the amendment could have the ultimate effect of actually eliminating the board due to the discrepancy in dates. So although I am standing here moving the adoption, the committee now asks that the amendment under consideration be
